Monthly Wrap

"Peeragogy Monthly Wrap" Working Group Meeting Wrap: 2020-08-04

3 Practical Projects

Monthly wrap

- Focus on making this accessible for people who haven't been able to participate lately, so they can catch up with the project as a whole
- There is also meta data required about the wraps in order to more automatically generate them
- Do we want to have specific ones by month going forward? Or just have one entry catching up on the past few months?

Wraps of the working group meetings

- Haven't decided what to do with them
- Gets very meta, wrapping meetings where we're talking about wraps, not necessarily accessible by all readers

Peeragogical Action Reviews

- Stephan Kreutzer has been collecting them from many sources (documents, emails, etc.)
  - Tough to have them across multiple platforms
  - Be better to have a form or software tool to input them into an action review catalog
  - Have a way to print them, make cards, collect them into a catalogue, and have some sort of virtual table for looking at them
  - Have a meta review
  - Have a way to distribute them to people
  - Have a roadmap tool
  - Invite other people to create them? Write down instructions.
  - In PARs, people quickly tend to put in other structure and information that isn't covered by the PAR semantics/format
  - Add a new question as the last one asking about next steps, connecting between PARs and on the roadmap for an ongoing activity and review process, if PAR isn't used as a one-off standalone tool for a single action? Look back to see if action actually occurred or not?
